Customer item number

- Click the **External item description button**.
- Select the **Customer relation**.
- Fill in the customer's (**External**) **item number**.

Movie 1.4 Customer and Vendor Item Number

The screenshot displays the SAP Product Information Management (PIM) interface. The main window is titled 'CEU > Product information management > Common > Released products'. The 'Purchase' tab is active, showing various functions like 'Line discount', 'Multiline discount', 'Total discount', 'View trade agreements', 'Create trade agreements', 'Supply overview', 'Open purchase order lines', 'Period statistics', 'Matching policy', 'Price tolerances', 'External item description', and 'Supplementary purchase i...'. A dialog box titled 'External item descriptions (1 - ceu) - Item number: 9027, iPad64G...' is open, showing a table with columns 'Account code', 'Vendor relation', and 'External item number'. The table contains one row: 'Table', '1000', and 'iPad64W'. The dialog box has a 'Close' button at the bottom right. The background window shows a grid for 'Related product variants' with columns 'Product type', 'Product subtype', and 'Product d'. The grid is empty, displaying the message 'This grid is empty.'.
